Creating New User in Fire Department Directory

1. To begin, go to http://tfsfrp.tamu.edu/fdd

2. Click on Apply for a new account.

3. From the next screen, there will be a drop-down box to select your fire department. Click on the arrow button and scroll down to choose your fire department. Click the Submit button.
4. Create a username and password. The password needs to be a minimum of 8 characters (12 maximum), contain at least 1 capital letter and at least 1 lower case letter, and also contain at least 1 number or at least 1 special character (! ? @ $ % ^ & _ + ; : . ,). Also, include your First name, Last name, Email address, and Phone number. Once all the information is complete, click the Submit button.

5. Once you have applied for a user account, your request will be forwarded to Texas Forest Service staff to be approved. Once approved, you will receive an email informing you that your access has been granted to FDD.
