Logging Into Fire Department Directory

1. In order to log into Fire Department Directory, go to the following link: http://tfsfrp.tamu.edu/fdd

2. Enter your Username and Password. Click on Log In.

3. Once you have successfully logged in you will have My Account, My Depts, and Incident Reports tabs. Also note that the green LOGOUT button at the top right now shows up with a Welcome message.
4. If the LOGOUT is present at the top right of the screen, but the Login page is present once you are logged into FDD, you are logged in to FDD. A common mistake of locking out your account is retrying to login from this situation.

5. When finished in FDD to logout click on the green LOGOUT button.
